FREQUENTLY ASKED QUESTIONS:

What if my child doesn't want to work with the Community Youth Team?

This is a voluntary programme, but we would encourage you to support your child in coming.

What will we get out of working with the Community Youth Team?

Support for you and your child. You will receive relevant information relating to your needs. You will also receive an offer of individual and/or group support for your child.

What am I signing for?

This enables us to share information with partner agencies on a need to know basis to ensure the right support is in place for your child.

What happens next?

You will be contacted by a Community Youth Team worker who will arrange a home visit to complete an assessment and, with input from you and your child, design a personalised plan of support for your child.
