Future:proof Framework

- This programme is all about helping young people who are unemployed back in to education, employment or training.
- To do this, we have brought together a group of organisations who are available to support you to achieve this goal. There are lots of offers in here so be sure to have a look at them all and get in touch if you want to secure your future!!

Special messages from young people about Future:proof

Rathbone -
“Courses like this help us to achieve our goals and aspirations”

KMP – **“I really enjoy the course, because I am learning thing relative to me
“I really enjoy this course, its given me freedom to explore my career path.”
“I really enjoy this Future:proof course because I can work on things that I enjoy.”**

Sprint Training – **“Thank you – it’s a good and useful course”**

Jobsteps – **“Thank you for making this course possible”**

Heeley City Farm – **“ We need to continue with these types of courses because we can learn about different things in a way that helps us to learn in a comfortable way.
Some of us had a bad experience at college and without Heeley City Farm helping us we wouldn’t carry on learning.”**

YASY - **“This course is really helpful for us girls that are pregnant as it motivates us into wanting to achieve something with our lives and not give up just because we’re going to be mums”
“This course helps a lot of young mums still have education while having a baby”**

Signpost – **“I would like to see Signpost continue to carry on the excellent work in support adolescent people to carry on with their life when they couldn’t have done so without help”
“I would like to thank ESF for funding Signpost. I think its an amazing investment and has helped a great amount of young people realise they have a future”**

The logo for 'future:proof framework' is set within a white, hand-drawn rectangular box with a black border. The word 'future:' is in black, 'proof' is in orange, and 'framework' is in a larger, bold orange font.

Potential Progression Routes: Foundation Learning, College, employment, Apprenticeships, volunteering and other training

Employability Programme

Young people
involved in this
profile creation?

Participants said that they are able to progress because.....

“The course helps you to progress because it gives you so many things that employers look for. They even help you to get a maths and English qualification if you need one so it gives you good prospects for the future”

Mon, Tues, Weds

9.30-3.30

What makes this Course Different from others?

“This course is different because it gives you so many opportunities. I was able to do my first aid, get my qualifications, improve my CV and job interview skills. Not many courses offer all these things for free”

Course Summary - Employability Programmes - YASY deliver a series of ‘You’re Hired’ programmes that allows participants an opportunity to experience various vocational areas before moving in to employment or further learning in those areas. Different qualifications are offered to help you update your CV, interview skills, confidence and prepare you for employment.

Potential Progression Routes: Foundation Learning, College, employment, Apprenticeships, volunteering and other training

COLLINS-DONNELLY CONSULTANCY

PERSONAL EFFECTIVENESS TRAINING & SUPPORT

WHO WE ARE:

Maria, Kate & Beverley are professionals in the fields of psychology, counselling, therapy and coaching.

We are a Future:proof support organisation.

WHAT WE PROVIDE:

You can talk to us **CONFIDENTIALLY** to get one-to-one support with a wide range of emotional and personal issues.

We can come in and deliver workshops for you and your fellow learners on a wide range of emotional and personal issues as part of your course.

SO FAR WE HAVE HELPED LEARNERS TO:

- Develop their self belief and confidence.
- Recognise their potential, strengths and skills.
- Develop their ability to talk about and promote their own qualities, including in interviews.
- Develop their awareness and understanding of their rights and opportunities.
- Develop their ability to assert themselves.
- Manage their emotions, anxiety, stress and anger.
- Address and move on from difficult life issues.
- Identify problems and how to solve them.
- Develop their ability to make decisions.
- Develop their understanding of the working environment.
- Develop their communication skills.
- Develop their team working skills.
- Develop their awareness of matters concerning relationships, bullying and domestic violence.
- And much more!

LEARNERS' VIEWS:

The workshop was good and Bev was brilliant!

I've learnt to believe in myself more.

The workshop was excellent and has really helped me.

I learnt how important I am.

I've learnt I have rights.

Bev made learning fun!

I've learnt to control my anger.

Bev is a very good teacher.

The workshop was brill!

Thank you, you've really helped me.

I've learnt I'm in control of how I react.

I've learnt so much about me.

I've learnt to work as part of a team.

I've learnt to be positive about me.

I've learnt what I'm good at.

Confidence Building and Body Language

- **Are you interested in developing your employability skills, increasing your confidence and self esteem? If you would like to be prepared for job interviews and to take the next steps in your life this is ideal for you.**
- **We work with you at your Future:proof organisation and deliver a course using performing arts techniques and exercises to develop life skills, teach about body language and help you prepare for job interviews. Ask your provider to book us now!**
-
- **What previous course participants have said:**
- ***“I found out that I’m good at team work.”***
- ***“I found out that I can be confident”***
- ***“My favourite part was getting around and having a laugh”***
- ***“I learnt that people are unique”***
- ***“I learnt how to communicate better”***

Offers from Future:proof Partners

- This next section is for organisations who are part of the Future:proof Framework but have projects funding from other pots of funding. If Future:proof cannot offer you what you need, maybe these organisations can?
